**Ms. Megan Kelleher
Barsplice Products Inc.
4900 Webster Street
Dayton, OH
45414**

This is to acknowledge that Barsplice Products Inc. has met all requirements to have the six Taper Threaded Grip-Twist (TTGT) products approved for placement on the Designated Sources for Materials (DSM) list 9.65.58, Reinforcement – Reinforcing Steel Bars – Mechanical Connectors for the Ministry of Transportation of Ontario (MTO). This approval includes the full range of product sizes for the TTGT, TTGT Transition, TTGT Position Coupler, TTGT Flanged Coupler, TTGT Doughnut and the TTGT Structural Connector.

No changes to this product line are permitted without MTO approval. Please inform the MTO Bridge Office of any such changes.

This product line will be visible on the MTO DSM list 9.65.58 on The Road Authority (TRA) website after October 1, 2015. You may use this letter until the website posting is complete to confirm that these products are now eligible for use.

Regards

A handwritten signature in black ink that reads "J. Connell". The signature is written in a cursive, flowing style.

Jim Connell, P. Eng.

Lead Bridge Engineer - Standards
